First Schedule

Reasons & Considerations for Decision to Refuse Planning Permission Ref. P26 60452

1. The proposed dwelling house would be the sixth dwelling house in a row over the course of c.300m running in a south north direction. There are already 5 no. dwelling houses with in a row over the course of 250m due north, which constitutes ribbon development. The proposed development would extend and exacerbate this existing pattern ribbon development and militate against the preservation of the rural landscape and environment and may result in requests for the uneconomic provision of services in the rural area. The proposed development is therefore contrary to the requirements around the avoidance of 'Ribbon Development' in Section 7.8.3 of the Kilkenny City and County Development Plan 2021-2027 and to proper planning and sustainable development of the area.
